Questions:

1. Describe your current financial situation and why you are applying for financial assistance from the College?
2. Have you approached your parents, other relations, or other parties for financial assistance? Do you plan to? Why or why not? How much have you received or plan to receive in financial assistance from other parties?
3. How much are you requesting in financial assistance (Total Tuition \$9,000+ Residence \$5,000 (if applicable)= \$14,000 less funding from your own and other sources)?

4. Indicate the allocation of how you will pay for the tuition and residence (if applicable)

Family/Friends:       \$  
Loan:                    \$  
Bursary:                \$

---

Total:                    \$ Should equal total of tuition and/or residence fee (if applicable)

5. If you are seeking a loan, how do you plan to pay the balance owing to the College if this financial assistance is granted. Specify what you anticipate the repayment terms to be: full payment or periodic payments (i.e. monthly, quarterly, etc.). By what means do you intend to secure the funds to pay the College back?
6. If you are not seeking a loan, but are instead seeking a bursary, please indicate the reason why you are doing so, other than financial reasons.
7. Do you have any family (blood) relationship with or significant influence over any of the members of Augustine College’s Board of Directors or Board of Trustees?

*Nota Bene: As a condition of the award, successful applicants’ names will be posted on the College’s website for a period of one month, following the decision of the Selection Committee. The award will also be noted in one of the College’s email communications to its members and larger Community, including the details of the amounts awarded. As the financial assistance is a taxable benefit, successful Canadian applicants will be supplied with a T4A tax slip in each of the calendar years to which the benefit relates.*

I certify this to be an accurate assessment of my financial position, and accept the conditions noted above, should I be applying for a bursary.
